Note A: USD1 redeemable tokens outstanding and related information

As of the Report Dates, the total amount of USD1 redeemable tokens outstanding are eligible for redemption in accordance with the contractual terms that govern USD1 issuance. The total natively minted tokens quantity may exceed the outstanding redeemable supply due to test tokens, time-locked tokens, or tokens that are access-restricted by design and are not available for redemption. As of the Report Dates, there are no tokens which are time-locked or access restricted. As of the Report Dates, USD1 is minted and redeemed on the Ethereum BNB Smart Chain networks. As of the May 31st Report Date, test tokens were minted on Tron, but there were not any redeemable USD1 tokens.

Note B: Redemption assets available for USD1 redeemable tokens outstanding and related information

In accordance with the issuer terms and conditions, redemption assets may include cash, cash equivalents, short-term U.S. Treasuries, reverse repo agreements fully collateralized by U.S. Treasuries and Government Money Market funds.

Cash and cash equivalents, at par

Cash and cash equivalents consist of cash on hand and investments with maturities of three months or less from the date of purchase. The Company's cash is held at U.S. commercial banks, regulated by the Federal Reserve, which at times may exceed the Federal Deposit Insurance Corporation (FDIC) limit of \$250,000. A portion of the cash and cash equivalents were held in a segregated qualified trust account at BitGo Trust Company, Inc., for the benefit of USD1 stablecoin holders. The remaining cash and cash equivalents are held in demand deposit accounts at U.S. financial institutions, titled for the benefit of USD1 stablecoin holders.

Government Money Market funds, at net asset value

Government Money Market funds, at net asset value, hold investments in cash, cash equivalents, and short-term debt securities. All funds are held in a segregated qualified trust at BitGo Trust Company, Inc, for the benefit of USD1 stablecoin holders; funds in the segregated qualified trust are held at a regulated, U.S. financial institution, by BitGo Trust Company, Inc.
